SPECIAL *Moments*

A Luxury Wedding Venue

A wedding can be described as the most precious moment between a couple where they become witness to each other's love and to share it with those most dear to them. At the Centurion Lake Hotel we appreciate these moments with you and your guests.

With our dedicated team of banqueting staff and coordinator, we are ready to assist you with your every request with our one on one personalized service. We are able to offer the perfect ceremony and reception venue, ranging from 60 – 150 guests including a dance floor, to waltz the night away. Our various eloquently designed menus will not only inspire your guests but also please your budget. We are able to offer assistance with regards to décor, enhancing your venue and portraying the romantic setting as it is your special day.

Be it a wedding or an engagement party, let our team assist you with your perfect celebration!
